

Junior .net Developer: Sydney

The opportunity:

Technology is literally changing the world around us and yes, some people tend to focus on why that change is bad – it makes us uncomfortable, it breaks our status quo, it feeds our uncertainty – but at Orchard we choose to see it differently. Technology can make lives better. It can make businesses better, brands better and experiences better. It can be the change we want to see in the world.

Which is why we, at Orchard, rally around a single purpose: to *invent better outcomes* through creativity and technology. Those better outcomes can only exist in the context of people irrespective of if we label them users, customers, patients, clients or even staff.

- Join a dynamic and growing creative technology agency
- Based in Pymont, Sydney and New York
- Work with blue chip brands

Orchard is one of the fastest growing full-service digital agencies in Australia. We work with a number of leading client brands such as Electrolux, Asaleo, BT, Hyundai, Zoetis and Bayer to develop and execute their digital strategies. We're on the lookout for a Junior ASP.NET Developer to work within a growing development team in Sydney.

The Junior developer is responsible for developing the backend components of websites and web-based applications. They're responsible for implementing content management, application functionality and integration requirements and will work closely with the team to ensure that all code developed is clean, consistent, accurate and meets the definition of done.

Key Function:

The Junior ASP.NET Developer shall perform the following specific duties:

- 1) Implementation of Content Management functionality
- 2) Implementation of application functionality through bespoke development in .NET Framework 3.5-4.5, ASP.Net MVC, SQL Server and the use of Orchard's Framework.
- 3) Development of APIs using WebAPI to expose complex data structures through business logic.
- 4) Development of client side functionality using JavaScript & jQuery.
- 5) Code to Orchard's development standards of;
 - a) C# source code
 - b) Object oriented with minimal code duplication.
 - c) Development of generic, reusable code where possible and integration to the Orchard ASP.NET framework.
 - d) Output of standards compliant (CSS2+ & HTML5) and accessible (Priority 1+) HTML
- 6) Perform maintenance tasks on existing websites
- 7) Comment and document code where appropriate
- 8) Development of Unit tests where appropriate

- 9) Work effectively within a team adhering to Orchard's hybrid Agile methodology.
- 10) Develop strong working relationships with;
 - a) the Orchard project management, development and creative teams.
 - b) freelance employees, including creative designers, flash developers and HTML builders.
- 11) Show a strong commitment to the Company's core values.
- 12) Embrace and respect the Company's community and environmental responsibilities.

Essential Skills

- 1) ASP.Net C# & MVC
- 2) SQL Server
- 3) Client side functionality using JavaScript, jQuery
- 4) HTML5/CSS

Desirable Skills

Experience with the following is desirable but not essential

- 1) Source control using SVN/GIT
- 2) Development using ORMs like LINQ-SQL and Entity Framework
- 3) Development of ASP.Net CMS based applications
- 4) Atlassian tools including JIRA, Greenhopper, Confluence, Bamboo and Stash

What you can bring:

- 1-2 years commercial of developing ASP.Net MVC web-based applications
- Good understanding of the .Net framework
- Passion for technology and a willingness to learn and improve their skills and quality of their work
- Knowledge of industry best practices, coding / accessibility standards
- Fair understanding of source control solutions like Git, continues integration, peer-review, and development methodologies such as agile / scrum and iterative-waterfall
- Good communication skills
- Holding a relevant IT degree / qualification
- Permission to work permanently in Australia

If you feel like this is the right job for you, would like to take your career to the next level, work in a great cultural environment that allows you to grow and enjoy work, please email your CV and contact details to jobs@orchardmarketing.com.au and we will arrange to meet you!

A little about Orchard

We offer an awesome, fun working environment full of culture and energy. We leave our egos at the door and past that door is a super cool office space filled with inspiring people and free crumpets.

We pride ourselves on our work and also our work / life balance. We're 100% committed to you, your career at Orchard and your continued professional and personal development. We offer a rich array of internal and external structured training and education courses as well as ongoing individual wellbeing support through Benestar.

As an agency we fuse enthusiasm, creativity and technology to ***Invent Better*** outcomes for leading International and Australian brands such as BI, MSD, GSK, Electrolux, BT, Ikea and Hyundai to name a few.

Invent Better are two little words that define our big approach. It's a belief that creativity and technology are the key to winning in today's digital age, and it's a formula that challenges us to engage with our clients in a way that always pushes us that little bit further every time.
