

Senior Front End Developer: Sydney / New York

Technology is literally changing the world around us and yes, some people tend to focus on why that change is bad - it makes us uncomfortable; it breaks our status quo, it feeds our uncertainty - but at Orchard we choose to see it differently. Technology can make lives better. It can make businesses better, brands better and experiences better. It can be the change we want to see in the world.

Which is why we, at Orchard, rally around a single purpose: to invent better outcomes through creativity and technology. Those better outcomes can only exist in the context of people irrespective of if we label them users, customers, patients, clients or even staff.

The Opportunity

We're currently on the lookout for a talented Senior Front-End Developer with awesome JavaScript, HTML & CSS skills to work in our Development team. Your key functions will range from leading project implementation, translating UX designed wireframes to production level HTML/CSS/JS, understanding and integrating with third-party APIs and platforms as well as working on a mixture of legacy and cutting-edge projects.

Love a challenge? Harness your creativity and turn your greatest ideas into working prototypes and Invent Better with your team in the Orchard Playground.

We offer a good, fun working environment and all the necessary support and structured training you need to grow your digital career.

Key Function

Our ideal candidate will be able to comfortably work in a fast-paced agency environment and be able to provide technical insights and outcomes on creative challenges, whilst mentoring one or more staff. Here's the list to tick off against:

- HTML, CSS are expected to be at the expert level
- The ability to write and debug clean and functional vanilla JavaScript
- Demonstrated experience developing browser-compliant code
- Experience integrating with third party APIs (e.g. Google Maps, Facebook, Instagram)
- A strong understanding of SEO compliant mark-up and best practices
- An understanding of Accessibility standards
- Git mastery
- Experience with CI/CD pipelines
- Understanding of task runners and bundlers (e.g. Grunt, Gulp, Webpack)
- Familiarity developing in a Windows environment
- Experience in mobile front-end driven applications (e.g. Ionic, ReactNative)
- WebGL experience
- Strong demonstrated Vue or React

What you can bring

- Willingness to learn new frameworks and technologies.
- Ability to solve problems, and be solution focused
- Willingness to mentor junior staff
- Show a strong commitment to the Company's core values of Collaboration, Integrity & Curiosity
- Embrace and respect the Company's community and environmental responsibilities
- Exceptional communication skills
- Proven ability of working within a team
- Excellent attention to detail
- Applicants MUST have the right to work within Australia

Above all, the successful candidate to join Orchard will be someone who has a strong work ethic driven by creative passion, positive energy and thrives on challenges, alongside a desire to grow with the company!

If you feel like this is the right job for you, would like to take your career to the next level, work in a great cultural environment that allows you to grow and enjoy work, please email your CV and contact details to jobs@orchard.com.au and we will arrange to meet you!

A little about Orchard

We offer an awesome, fun working environment full of culture and energy. We leave our egos at the door and past that door is a super cool office space filled with inspiring people and free crumpets.

We pride ourselves on our work and also our work / life balance. We're 100% committed to you, your career at Orchard and your continued professional and personal development. We offer a rich array of internal and external structured training and education courses as well as ongoing individual wellbeing support through our Employee Assistance Program.

As an agency we fuse enthusiasm, creativity, and technology to Invent Better outcomes for leading International and Australian brands such as BI, Zoetis, Schwarzkopf, MSD, GSK, Electrolux, BT, Ikea and Hyundai to name a few.

Invent Better are two little words that define our big approach. It's a belief that creativity and technology are the key to winning in today's digital age, and it's a formula that challenges us to engage with our clients in a way that always pushes us that little bit further every time.
